

AMENDMENTS TO THE SPECIFICATION

Please insert the following paragraph on page 1, between lines 2 and 3:

The present application is a National Stage (371) of PCT/FR05/50053, filed on January 28, 2005, and claims priority to FR 0450173, filed on January 30, 2004.

Please delete the original Abstract appearing on page 38 of the specification and insert therefor at page 37, after the last line, beginning on a new page, the substitute Abstract **submitted herewith.**
